

CAMP PROGRAM KITS INDEX

From under the soil to high in the sky and everything in between! These camp program kits will add variety and activity to your camp program. Each kit comes with instructions and most of the materials needed for fun experiences. As a bonus, many complete requirements for badge or starwork!

This quick reference guide outlines the activities and indicates if you need to bring any materials for the activity.

Remember, please leave behind any materials that come in the kit so that others can enjoy the activities as well!
