73rd Annual Scout – Guide Parade "It's Easy to be Green"

With the wettest May on record, it was questioned whether this year's parade would be "all washed up". I was personally a bit concerned that the forbidding forecast may have kept some marchers home, but that definitely was not the case. The Parade was well attended, energetic, and ran very smoothly. As was observed by someone with a poetic soul, "the smiles of the youth provided the sunshine to burn off the fog and keep us all warm and dry".

Thanks again to Cable 14 and our commentators Gino Sferrazza and Norine Jones. It was nice to be able to watch the parade on TV the next day, pausing and rewinding it every few minutes so that I would not miss a single happy face. And we have plans to make next year's even better!

For those who were asking, the post parade "Event With No Name" had to be cancelled this year due to a concern over Parade financing. However, we are already working on a solution and fully expect to hold the event next year! Stay tuned - more details will be available in the fall.

One major success that we can boast was this year's Parade Food Drive. Thanks to your generosity, 1,850 lbs. of food and \$1,125 were collected and presented to Hamilton Food Share. That combination equates to over 7,500 pounds of food added to local food bank shelves. Well done! I would especially like to thank the 88th Scouting Group for collecting the most (by far) in the first Food Drive Challenge, the 88th Venturers for organizing and running the food drive, and the 31st Group for their spirited "Cheese it Up" donation.

Finally, I would like to publically acknowledge the team of Scouters and Guiders who have worked hard to make the parade such a success. Your Scouting members were: Doug Buchan, Jim Carey, Brian Johnston, Don MacAngus, Donna Mason, Sharon Miller and Christa Pissey.

Thanks to Our Parade Sponsors

As you can well imagine, we do not put together such a large scale event as the parade for free. Fortunately, we are able to cover all of our costs through generous donations of funds and services. The following community and youth minded businesses and service clubs deserve our support and appreciation.

SCOUTSabout

It starts with Scouts.

Commissioner's Corner

We all agree that Scouting offers a tremendous program for our youth. And we all try to offer the best program that we can, while keeping the cost to parents reasonable. But what is the monetary value of Scouting?

The average section meets for about 1 ½ hours per week, 35 weeks of the year. The average section also goes to camp 4 times per year, with about 24 hours of program time during each camp (not including the time that the youth are supposed to be sleeping). As a minimum, a youth member who attends most meetings and camps will enjoy at least 140 hours of Scouting each year. Many sections offer considerably more program hours than that. If we add in the hikes, the special events, the parade, the late nights at camp when the youth just won't go to sleep the total of waking hours that each youth is supervised might reach 175 to 200 hours per year.

What is a quality, value based program designed to encourage youth to improve their lives mentally, physically and socially worth per hour to parents? When asked, your group commissioners agreed that \$3 to \$5 per program hour would not be unreasonable. When compared to sports, or instructional activities or camps where

there is paid staff, \$3 to \$5 per hour would be a bargain!

The registration rates for our next Scouting season have been announced. Youth registering for Scouting in 2011/2012 with a reasonably active program will have a fee of about \$1 per program hour. That is an incredible value!

When talking to parents about our next Scouting season, don't reluctantly admit that our fees are \$175 for the year. Emphasize the value they are receiving. For only \$175, parents can be sure that their child will receive a fun filled and exciting program for 175 hours or more. Emphasize that the additional costs for camp are for food costs, supplies and expenses directly associated with the camp.

There has also been an announcement regarding the fees for volunteers for next season. All volunteers registered for the 2011/2012 Scouting season before August 31, 2011 will be \$0, as compared to \$80 last year. What this means is there will no longer be a need for additional registration fees for youth. None of the funds raised by your group will have to be used to pay for leadership registration. This will be a tremendous benefit to all groups and I encourage you to start recruiting and registering your volunteers now. Your

Group Commissioner will have an advance registration package soon.

As we have done in the past, all Deputy Area and Group Commissioner roles are open for appointment. If you are interested in making a difference to Scouting in a new role, please send me an email outlining the role you would like to apply for and briefly outline your qualifications. Questions and applications may be sent to tom.morrow@shaw.ca.

I would like to take this opportunity to thank Val Miller for serving as Deputy Area Commissioner for Troop Service. Val has decided to step down from the role after many years.

I wish each of you a very safe and happy summer. I look forward to working with you next year.

Program Standards ensure quality programs

Scouts Canada's programs are designed to deliver fun, challenging, outdoor programs to youth of all ages. To ensure that all members receive quality Scouting programs, as well as ample opportunities to develop themselves, the following Program Standards have been established for each Scouting section.

Leaders can use the Program Standards to plan and conduct excellent Scouting programs. It's a quick reference to make sure that they are covering all aspects of the program. Scouts Canada believes that by using program standards, youth receive a better program and stay involved in Scouting longer. In addition, it's an opportunity for parents to see at a glance the exciting program that their children will be receiving.

The Program Quality Award will recognize sections that meet all the objectives which are laid out in the Program Standards. This award will be presented annually to those sections which meet all the requirements of the program objectives; ensuring that they are meeting all program targets and have trained and accomplished leaders delivering strong, balanced programs to Scouting's youth members.

By ensuring quality factors for our programs such as: number of outings; number of camping opportunities; accepting youth input; and community service activities, means every youth will receive excellent Scouting programs filled with opportunities to help them develop as individuals.

It starts with Scouts.

APPLE DAY NEWS

Apple Day 2011 is Friday, October 14 & Saturday, October 15.

The 2011 Apple Day Committee Co-Chairs are Gary Fliss, Cam Napholc and Debbie Napholc. Our email is appleday2011@gmail.com.

We are in search of a Depot Co-ordinator for the Ancaster – Hermitage Springs Depot. We are also in need of a Prize Co-ordinator and volunteers to make follow up phone calls and prize pickups, Venturers and Rovers welcome or anyone looking to earn volunteer hours. Don't worry – we have a great team to support you and help you along the way if you have questions.

We are also developing an Apple Day web page to further support our team. We welcome new members!! Please send us an email if you are interested in helping out this year.

COLONY/PACK SCOUTERS CLUB

The Colony/Pack Service team held the last meeting for the 2010/2011 Scouting year in May. We discussed how well our new direction as part of the "Official Roadmap to Success" has progressed. As part of the 2011/2012 direction rolled out by Scouts Canada, the intention is to make unscheduled visits to each group in the Hamilton Area at least three times per year. We will do our best with our limited numbers to fulfill these requirements and appreciate your cooperation and support when a member of our team arrives at your meeting.

We feel the Scouters Club has been a useful tool to share information and hope that the word will spread and more will attend these meetings. We are striving to provide a flyer with meeting dates, discussion topics and goals for the upcoming Scouting Year. This flyer should be provided to your Registrar/Group Commissioner with the Registration Package. The dates will also be published in the 2011/2012 calendar and the dates

and topics published in the Dispatch.

A BIG THANKS to Scouter Rick Ellison of the 63rd Hamilton for acting as the Camp Chief for a very successful First Annual Hamilton Cuboree Camp. Rick and his support staff put together a fantastic weekend (June 10-12) with groups attending from as far away as Sarnia. We will be planning the 2nd Annual for the same weekend next June (details to follow). We would like to welcome to the Pack side of the Service Team – Avril Hill.

If you would like to make a difference and want to join our Service Team, please contact any team member.

Thanks to all members of the Service Team for the hard work and dedication this past year – looking forward to another great year in 2011/2012 Scouting Year.

Camp Nemo Report

I would like to thank all the people who came out for Camp Clean up. Even though the day was rainy, everyone pitched in and got the cabins into tip top shape. I would like to thank Colin and Joan Barty and their helpers for putting a wonderful lunch for all the workers.

Camp has been well used this year by both Hamilton and outside groups. This year's usage is up and the booking for next season look good as well. I would encourage small groups to partner with another group when using Confed., B.P Lodge and Anniversary. To have 5 people use these buildings is a

waste of resources. Camp continues to try and maintain the existing facilities we have. We will be looking to add more program items such as Archery range.

The camp committee is looking for a person to join the committee and look after program items. If you are interested, please apply to me at my email address: aeden@cogeco.ca. That way we can let you know what the job is and have interviews with interested persons.

AMATEUR RADIO RELAY LEAGUE FIELD DAY

Starting Saturday, June 25 at 14h00 locally, until 14h00 Sunday, June 26th ham radio operators will be setting up a radio station as a display of their emergency communications capabilities. The American Radio Relay League (ARRL) and ham radio enthusiasts throughout the world have made headlines with their work during and after wildfires, floods, storms, earthquakes, tornadoes and other crises. Hams provide emergency communications for many civic organizations in disasters. The Field Day is free for the public to attend and a great

opportunity to learn a little of what amateur radio is all about. Contact Patrick Hall: patrickhall@mountaincable.net 905 383 2289.

This year's Field Day is going to be at the Devil's Punch Bowl on the Stoney Creek Mountain. Go to the [Field Day Locator](#) on the ARRL Web site and put in VE3DC in the top left to get exact co-ordinates of the new location.

Special this year, we look forward to having some of the Hamilton and Stoney Creek Scout groups to help us out with our operation. This will help them earn badges, and we will be putting youth on the air while peaking their interest in Amateur Radio.

NEW SCOUT MATH

$$73 + 55 + 64 + 34 + 33 + 28 + 1,000,000 + 2,000 = 100$$

How can that work? Easy, this year we are celebrating Scouting's 100th anniversary in the Hamilton Area.

2011 also marks our 73rd Scout-Guide parade, our 55th Victoria Day Weekend Camporee, our 64th year of Mt. Nemo Scout Camp, the 34th year of the Beaver Chopperee, the 33rd year of Cub Fun Day, the 28th year of Klondike Camp and there have been over 1 million camper days at Mt. Nemo Scout Camp and over 2,000 Hamilton Scouts, Venturers & Rovers have attended Canadian and World Scout Jamborees.

EARLY RECOGNITION

Everyone likes to receive a thank you. It is important that we take every opportunity to thank fellow Scouters for their efforts. I would like to especially encourage you to thank those who are new to Scouting. A thank you can sometimes go a long way to encouraging these valuable people to commit for an additional year of service. The thank you can be as simple as a card signed by the youth and adults of the Group or maybe a big cake with candles. Anyone can submit a recommendation to the 'Recognition Committee' for consideration for a formal Scouts Canada Award. If you have someone in your Group or Area, whom you feel deserves to be recognized please consider preparing the nomination yourself. The most important part of the process at this point is the 'Scouters Career Check List'. If you are completing an SCC for someone else, we ask that in the 'Header' portion of the SCC, you indicate "Prepared by *your name* ." The second part of the process is the actual

'Nomination Form' available on the national web site. As part of this application, you are required, to include a narrative of what makes this service special or outstanding. If you are not comfortable with writing the narrative, simple put the information in point form, with a short explanation as to what is special and a member of the committee will complete the form for submission to the Battlefields Recognition Commissioner.

If you are going to prepare a nomination, you MUST contact Bruce Riddiough (905-549-3453) and advise him of your intention. This is to allow the committee to maximize resources and avoid duplication of effort.

If you know the person, this process is not as daunting as you may think. It does take some effort but your reward will be in seeing the shocked look on the persons face, when they are called forward to be thanked for their dedication to the World Wide Brother of Scouting.
