

Wood Badge Part I

Colony, Pack & Troop Leaders

Voyage of Discovery

The Hamilton-Wentworth training team would like to invite all new and not so new leaders on a voyage of discovery. It doesn't matter whether you're a Scouter who prefers to travel by land, sea or space ship: we have a vehicle to take you on an adventure of learning and skills development.

The adventure begins on Saturday April 14th at St. Matthews Church on Plains road in Aldershot. You'll learn new program ideas; you'll discover resources you didn't know existed. The first day of discovery will be so much fun and excitement that you'll need a whole week of rest before resuming your trip on the following Saturday, April 21.

What do you need to participate in this adventure? You must be a registered adult or youth at least 16 years of age, have a sense of adventure and provide a \$45.00 registration fee. Of course there are a few things you'll have to bring, like a Leaders handbook for the section you are in, some writing materials and a mess kit. That's right! We even feed you on this adventure!

To make sure we get to as many places as possible, you need to complete Module 1 at home on line at Scouts.ca Click on e-learning. Our adventure begins at 8:30 AM sharp and we plan to return by 5:30 PM.
