

IMPORTANT INFORMATION FOR TRAVEL TO MOUNT NEMO SCOUT CAMP

Scouters,

The City of Burlington has advised that Walkers Line in Burlington will be closed in both directions between Palladium Way and Number 1 Side Road from **Sept. 24 to Oct. 5, 2018** for an emergency road culvert replacement.

To travel to Mount Nemo Scout Camp during this closure, use one of these two options to avoid the necessary detour:

} Exit the QEW at Appleby Line and travel North to Number 2 Side Road; turn left onto Number 2 Side Road (there is a church on the corner); you will be making a left turn into Camp

} Exit the QEW at Guelph Line and travel North to Number 1 Side Road; turn right onto Number 1 Side Road; turn left onto Walkers Line; turn right onto Number 2 Side Road (Note: there is NO access to Walkers Line from Number 2 Side Road off of Guelph Line)

Detour routes will be provided by the City of Burlington should anyone travel North on Walkers Line during this construction.

Please pass this important information along to any of your Scouters who are planning to use Mount Nemo Scout Camp during the road construction period indicated above.

Yours in Scouting,

Cam Smith
Camp Administrator
